

CONVENTION HIGHLIGHTS: The Friends of Old-Time Radio had its annual Convention on October 19th and 20th, at the Holiday Inn-North, Newark, NJ. Many celebrities were present. Those receiving awards were: FRANK BINGMAN, MARGARET DRAPER, HELENE DUMAS, EDDIE LAYTON, EDITH MEISER, BEATRICE PONS, STELLA REYNOLDS, ADELE RONSON, ARTHUR PETERSON, JOE DeSANTIS. Other guests present were: WARD BYRON, JACKSON BECK, FRANK CARLON, HELEN COULE, PAT HOSLEY, RAYMOND EDWARD JOHNSON, DORA JOHNSON, EVIE JUSTER, ANN LORING, ARNOLD MOSS, DICK OSGOOD, KEN ROBERTS, KEN & TERRY ROSS, ERNEST RICCA, MARGOT STEVENSON, SIDNEY SLON, ARTHUR TRACY, VICKI VOLA, DWIGHT WEIST, FLORENCE WILLIAMS, FRANK NELSON and VEOLA VONN. DANNY STILES from Station WNJR in New Jersey was also present. The guests socialized with fans throughout the afternoon and evening and re-enacted two radio shows.

The Convention started on Friday at 12:00 Noon when the dealers tables opened. There were 45 tables Fri & Sat...121 people attended the dinner, with another 30 in the afternoon. Video tapes of early TV shows that had been on radio were shown from 12-6. After cocktails & dinner, DICK OSGOOD gave a short presentation. MARY LOU WALLACE and WALT MITCHELL gave a preview of their bloopers. KAREN and JAY HICKERSON presented musical entertainment, trivia and sing-a-long. Post-dinner activities also included several guests who bravely dove into the role of announcer and faced the audience with their versions of the openings of some favorite shows. An assortment of results ensued--from amusing to the authentic, resulting in a lot of fun.

On Saturday, the Convention began at 9:00, with dealers & workshops. Workshops presented were: an Hour with DICK OSGOOD; Bloopers with WALT MITCHELL and MARY LOU WALLACE; Tape Decks with MANOS NOMIKOS; Trivia with JOHN ECCLES; Band Remotes with BELDON MENKUS; Westerns with DON ASTON and GARY YOGGY; Rehearsal for Acting and Sound Effects with FLORENCE WILLIAMS; a "Scary" reading by RAYMOND; Acting Workshop presentation with FLORENCE WILLIAMS; FRANK NELSON and VEOLA VONN entertained with "*Bickerson*" (not Hickerson) sketches and reminiscing; ANTHONY TOLLIN directed a re-creation of "*Mr. District Attorney*", with many of the original cast. Background music, integral to any production, was provided by EDDIE LAYTON. KEN and TERRY ROSS stimulated our auditory senses with their sound effects.

The day's events culminated in pre-dinner cocktails and a buffet feast for 231 persons. (Approx. 329 all told attended the afternoon program.) Due to the length of the entire evening program, we attempted to limit the additional features. ARTHUR TRACY sang two of his favorites; EDDIE LAYTON reminisced with "Name That Radio Theme" on the organ; ANTHONY TOLLIN with TERRY ROSS, gave a tribute to the late KENNY DELMAR. ANTHONY TOLLIN directed "*Grand Central Station*", with all original cast members. A Special Award was given to DON RICHARDSON for his untiring and unselfish work in providing old-time radio programming for 12 years to Central New York State; the Allen Rockford Award was given to JIM SNYDER and BOB BURNHAM for their writing achievements. The guests mentioned above received their awards. JACKSON BECK (whose voice you hear on countless TV & radio commercials), and who has been present at all our conventions, received a Special Award for his contributions to radio--yesterday and today, and his continuing work and support of the Friends of Old-Time Radio. FRANK NELSON then expressed some closing thoughts.

I again want to thank all the guests who were very gracious in granting interviews and giving their time to be with us. Special thanks to my co-chairpersons, JOE WEBB (coordinating the program & taping); STU WEISS (publicity); ANTHONY TOLLIN (coordinating & directing the shows and arranging for rides), and to the rest of the Committee, especially BARBARA and DAVE DAVIES and RON LACKMANN who manned the registration desk which allowed me, for the first time, in 9 years, to see the Convention from the "other side", to RON BARNETT, BOB BURNHAM, GARY KRAMER, BILL NADEL, KEN PILETIC, DAVE SIEGEL, and to our official and unofficial photographers ADRIENNE TOLLIN and BOB BURCHETTE.

CONVENTION - '85: Dates are Oct. 11th and 12th (Columbus Day weekend), at the Holiday Inn-North, in Newark. This will be our 10th Annual Convention. Many ideas have been suggested; what follows are some of them. Let me know if you can add to this list as well as specific ways you can help:

1. Spread activities over Friday & Saturday rather than crowding everything in one afternoon, and to have only one major activity running at any one time unopposed.

2. Have special 10-year program with ads. Bob Burchette will handle this. Full page ads will be \$100; 1/2 page \$60; 1/4 page \$35; 1/8 page \$20. Ads will be typeset. For details contact Bob Burchette, Box 6176, Cincinnati, Oh. 45206. Booklet will be 8 1/2 x 11. All ads must be in by July 1st.

3. Dealers will only use back door to avoid congestion in lobby.

4. An area where attendees may chat with personalities -- also a separate personality registration area.

5. Refine seating arrangements for dinner. Have stage nearer middle of back wall where it was two years ago.

6. Show recreations suggested so far: Superman, Lone Ranger. Afternoon show kept more spontaneous without rehearsal. Shows would depend on stars invited.

7. We would like help in locating new personalities. Those on the East and West Coasts please approach new personalities and let me know if they might attend.

8. Workshops. Concentrate on true overview of radio. Resurrect some we have not had for a while; refine or eliminate some we have every year and examine new ones such as club-run workshops (Jack French - NARA - doing one on Tom Mix), etc. ...Overview of radio--either chronologically or by type of show...Escape... computerizing your collection...commercial...Americana through radio...Experimental shows (CBS workshops, etc.)...Panic Broadcast...Museum of Broadcasting...Bing Crosby...Benny/Allen Feud...Panel on Let's Pretend, Lone Ranger...Collecting for beginners & technical aspects of collecting...radio shows adapted from comics. The overview of radio would cover all kinds of shows with separate workshops for each one...If we were to do every workshop mentioned, our Convention would last 2 weeks. We have to choose the most effective ones, combining some where necessary.

FRIENDS OF OLD-TIME RADIO: The Friends of Old-Time Radio (FOTR) has two pins which it sold at its Convention. The lapel pin is \$4.25 (diameter 5/8 of an inch), and a larger version is \$5.25 (1-1/4 inches in diameter). The words "Friends of Old-Time Radio" encircle an engraved radio in its center. If you want to order, send checks to me. All monies received will go toward our 10th Convention next year.
